

LIT Program (Leaders In Training)

Are you a high school student looking for a unique summer experience?

Seeking out a fun way to gain service hours?

Spend your summer outdoors with us helping campers have the best summer ever! Come join us at Camp FUNset where you will aid in facilitating campers while they navigate archery, STEM, animal care, art, a low-ropes course, and much more.

Camp FUNset's new Leaders In Training program will focus on **raising up a future generation of leaders**, people who are confident in themselves and their abilities.

Each week of training, LIT's will be assigned to a tribe of campers with ages ranging from 4-10.

The LIT will work with and learn from the tribe counselor and help campers have fun and grow through our mission at Camp FUNset.

Join us this summer!

All LITs are required to attend one week of camp to graduate from the course. You must be fully committed to attending every day of camp during the week you have signed up for. **You may sign up for multiple sessions.**

Camp days run Monday-Friday from 9 am– 3pm.

Available LIT Sessions

F³: FUNset Favorites Flashback June 7-11	Decades Past & Present June 14-18	Superheroes & Villains Unite June 21-25
Go for the Gold June 28-July 2	Groovin' to the Music July 5-9	From Pioneers to Homesteaders July 12-16
