Residential and business locations that are unserved or underserved (access to actual speeds less than 25Mbps download and 3Mbps upload) can apply for expanded broadband coverage through the Indiana Connectivity Program.

Visit the Internet Connectivity Website to apply: <https://www.in.gov/ocra/broadband/icp/>

Indiana will invest \$270 million toward improving broadband access and adoption in Indiana. The Next Level Connections Broadband Grant Program is designed to provide funds for the deployment of broadband infrastructure to provide eligible broadband service to unserved end users, which include households, businesses and community anchor institutions, such as schools and health clinics, across Indiana.
