*This plan will be monitored and adjustments will be made as needed. If what we are doing does not work, we will change.	

*U.S. Department of Education regulations require that a local education agency's (LEA's) return to in-person instruction plans must be reviewed and revised as needed every six months, must include public comment, and be posted on the LEA's public website. This will be required of ESSER III recipients for the statutory life of ESSER III, meaning plans will need to be updated every six months until September 30, 2023.
