Disciplinary and Attendance Report Request Form

Dear Administrator/Designee,

Porter Township School Corporation requires that any student who is requesting to transfer to PTSC as an out-of-district transfer student, must provide both a Disciplinary Report and an Attendance Report from any school(s) the student has been enrolled in within the past 12 months.

The reports should be provided by a school administrator or designee, and:

1. Should report any disciplinary action and all recorded absences within the past 12 months
2. Should be submitted on school letterhead or stamped for authenticity purposes, and should be signed by an administrator or designee
3. If there is no disciplinary action to report, a letter or memo reporting as such is sufficient

Disciplinary and attendance reports should be submitted by the reporting school directly to Porter Township School Corporation's Central Office:

Laura Scott, Executive Assistant | e: laura.scott@ptsc.k12.in.us

If you have any questions or concerns, please contact Laura Scott at 219-477-4933 X 1000.

Best Regards,
