### ***Hendricks Regional Health***

#### **Orthopedic Center of Excellence**

The Hendricks Regional Health (Hendricks) Orthopedic Center of Excellence is the premier destination in Indiana for comprehensive orthopedic and spine care. Our Center of Excellence provides non-trauma surgical services to our partners' employees.

Employees receive exceptional, personalized care, rooted in Hendricks' values and unique culture — all with little or no out-of-pocket costs and a seamless experience. Plus, when employees travel to Hendricks for their procedure, a one-night hotel stay may be provided and arranged by our Concierge when determined necessary by their surgeon.

We hope to become your partner of choice in supporting the overall health and satisfaction of your employees.

#### **Why Hendricks?**

A commitment to delivering healthcare service excellence is the Hendricks way.

- Prioritized patient experience
- Top-notch quality ratings
- Excellent clinical outcomes
- World-class physicians and staff
- Demonstrated cost savings
- Effective employer partnerships
- Full continuum of care

## **Porter County Schools Employees' Insurance Trust**

Members being prescribed certain high-cost medications will qualify to receive eligible medications for free and the medication will be delivered to the members' doorstep. Members and providers have full access to a pharmacist to ensure the highest level of care continuum and medication management.

To enroll in the RxProtect program, visit **[www.rx-protect.com/portertrust](http://www.rx-protect.com/portertrust)** to learn more.

#### **International Specialty Drug Program**

A program that significantly reduces expensive specialty drug costs for patients and employers. Patients will either travel to the Bahamas or exercise virtual telehealth options free of charge to receive treatment including a physician consultation and their specialty drugs. Medication refills will be shipped directly to the member's home.
