SERVING PORTER TRUST

The best care possible

You have access to a wide variety of services, labs, and medications—at no cost to you!

Available services

- Primary Care
- Acute care
- Chronic condition management
- Preventive care
- Sports physicals, DOT physicals
- A variety of vaccines

Patient Advocacy

Your Patient Advocate can provide:

- Benefits education
- Concierge care navigation
- Behavioral health support
- Health literacy

Labs & Medications

Most lab work and prescriptions are available at no charge to members.

Members can have lab work drawn and prescriptions filled at the health center that are ordered by an outside physician.

Telehealth & Patient Portal

We now offer:

- Televisits
- Virtual appointments
- Online appointment requests through the patient portal
- Prescription refill requests through the patient portal
- Quick and easy access to lab results sent to the portal
