

Exciting New Rx Program for Porter Trust Members

As a self-insured employer, Porter County Schools Employees' Insurance Trust is on the hook for paying our own medical and pharmacy claims. Prescription drug spend has increased significantly over the last year. If something isn't done to curb this trend, the result could potentially be double digit health insurance premium increases in 2024.

As a part of our 2023 cost containment plan, Porter Trust has partnered with RxProtect to lower your pharmacy costs. This is a voluntary program; however, we strongly encourage you to enroll into the program if taking one or more of the eligible medications. You can save money and get your prescriptions for free (no copays or coinsurance) by using RxProtect.

There are over 107 medications eligible for the program. Visit www.rx-protect.com/portertrust to review the full list of eligible medications. Listed below are a few popular medications available.
