

ENGINEERING FYI

FOR YOUR IMAGINATION

Individuals of all race, genders and backgrounds are welcome.

FOR RISING SEVENTH, EIGHTH AND NINTH GRADERS

9 AM-3:30 PM, SATURDAY, JULY 25, 2026

Students in the **FREE** all-day Engineering FYI: For Your Imagination work alongside Women in Engineering Program mentors and participate in hands-on engineering activities. Rising seventh, eighth and ninth graders hone leadership skills, make new friends, let their imaginations shine and see how engineers help shape the world. During lunch, students network with mentors and other participants. An itinerary for the event is on the website.
